

22 December 1961

MEMORANDUM FOR: Mr. Elder

I found the attached draft on "The Invisible War" among my papers. I think it is a duplicate of part of one of our chapters.

Also attached is an interesting editorial from LIFE, I believe by C. D. Jackson, which you might add to the papers I am sending to you from time to time.

I suggest you keep the papers I send separate from the main file so that we can talk them over.

ALLEN W. DULLES
